

JEFFERSON COMMUNITY COLLEGE

2007-08 Jreck Subs Ultimate Opportunity Scholarship

Through the generosity of the Jreck Subs & Ultimate Franchise Systems, the Jefferson Community College Foundation is proud to announce a new scholarship opportunity for Jefferson Community College students during the 2007-08 academic year. Five scholarships up to the cost of tuition, fees and books will be awarded.

Of the five scholarships, two will be awarded to incoming, prior year high school graduates, two will be awarded to second-year JCC students and one will be an “at large/non-traditional” recipient. The award seeks students who are highly motivated, hard-working, and entrepreneurial. If a student is a first-year student, the scholarship is intended to continue to the second year, if the recipient maintains the requirements outlined below. The Jreck Subs Ultimate Opportunity scholarship committee will monitor student eligibility.

Successful applicants will be expected to participate in Ultimate Opportunity cohort activities, including field trips designed to enhance their learning and professional development. The recipients are expected to maintain a minimum 2.5 GPA and will successfully complete JCC’s entrepreneurial courses, including Introduction to Entrepreneurship and Planning the Entrepreneurial Venture.

The students may be awarded a paid summer internship with Jreck Subs & Ultimate Franchise Systems, and the option of part-time work during the semester. There also may be an opportunity for a full-time position upon graduation. In the event that a recipient has grant and scholarship assistance from other sources, the scholarship will be reduced so that the award will not exceed the cost of attendance. Also, it is the donor’s intent to include an annual lecture series in conjunction with this scholarship.

Scholarships are distributed over two semesters, and are continued the second semester if the student continues to meet the scholarship criteria and acceptable academic standards. In some cases, a scholarship will continue for a student’s second year at JCC, if the student continues to meet the award criteria. To establish financial need, applicants must apply for Financial Aid by filing the 2007-08 Free Application for Federal Student Aid (FAFSA).
