

2008-2009 Verification of Asset Information Federal Student Aid Programs

Your application was selected for review in a process called "Verification". In this process, your school will be comparing information from your application with signed copies of your and/or your parent(s) 2007 federal tax forms, W-2 forms and other financial documents. We are required to ask for this information before awarding federal aid. If there are discrepancies between your application information and your financial documents we will correct the information electronically. This form is for the verification of "Asset Information" reported on your Free Application for Federal Student Aid. Please try to complete this verification as soon as possible so that your financial aid won't be delayed. Please contact our office at 786-2355 if you have questions.
