How to connect to JCC Student Wireless Network for Mac OS X

Step 1: Click the wireless network icon located at the top right of the screen.

Step 2: Click on JCC-Students.

Step 3: Type your username. Press tab and type your password (username and password are the same information used to logon campus computers). Click the Ok button.
Step 4: Click on the continue button. You are now connected to the JCC Student wireless network.

If you cannot connect or have difficulties connecting, please contact the helpdesk.
