How to connect to JCC Student Wireless Network for Windows 7

Step 1: Click the network icon located at the bottom right of the screen.

Step 2: Select the JCC-Students network and click the Connect button.
Step 3: Type your username. Press tab and type your password (username and password are the same information used to logon campus computers). Click Ok.

Step 4: Click Connect.

Step 5: You are now connected to the JCC Student wireless network.
If you cannot connect or have difficulties connecting, please contact the helpdesk.
