How to connect to JCC Faculty/Staff Wireless Network for iPad

Step 1: Press on the settings button.

Step 2: Under settings, press on the Wi-Fi button.

Step 3: Under Wi-Fi networks press on JCC-Staff.

Step 4: Enter your AD Network Username and press on the return button.

Step 5: Enter your AD Network Password and press on the Join button.

Step 6: When the certificate box appears, press on the Accept button. You are now connected to the JCC Staff wireless network.

If you cannot connect or experience difficulties connecting, please contact the helpdesk.
