How to connect to JCC Student Wireless Network for iPad

Step 1: Press on the Settings button.

Step 2: Under settings, press on the Wi-Fi button.

Step 3: Under Wi-Fi networks press on JCC-Students.

Step 4: Enter your Network Username (the one used to log on to the computers here on campus) and press the return button.

Step 5: Enter your Network Password and press on the Join button.

Step 6: When the certificate box appears, press on the Accept button. You are now connected to the JCC Student wireless network.

If you cannot connect or experience difficulties connecting, please contact the helpdesk.
