The partial list above of off-campus Pharmacies is provided as a courtesy for student reference only. JCC is not affiliated with any of the pharmacies on this list, and cannot provide pharmacy recommendations. Other pharmacies may be available beyond the immediate area, which are not listed above.

- *Students should check with any pharmacy used for pharmacy participation with the student's insurance plan.*
- *Student is responsible for costs of off-campus care.*

Student athletes should check with the JCC Health Office at 315-786-2376 when health care is related to an accidental injury which occurred during participation in a college sponsored sports event. In this case, supplemental Accidental Health Insurance coverage may be available for medical costs not covered by health insurance.
